

Nickelback - Every Time We're Together

Tom: C

^{Am} I'm back in my hometown ^C
 The main street's dying down ^G
 It's like there's nothing left of it ^F

^{Am} No more high school grounds ^C
 They tore that building down ^G
 And everything we built, I miss ^F

^{Am} I cut off my own friends ^C
 So lost inside seeing them ^G
 Feels like were back there instantly, to me ^F

^{Am} We all need a chance ^C
 The backyard fires on ^G
 And we stop telling tales of how life used to be ^F

^F The years have come and gone ^G
 But these stories carry on ^F
 Looking back, they're better than they used to be ^G

^C Cause you should'a seen the size of the guy's we were fightin' ^F
 And we shouldn't be alive at the speeds we were driving ^{Am} ^G ^F
 But momma always taught us never ever to tell a lie

^C And every tenny out there's always turned into twenty ^F
 Every girl we were with never cost any money ^{Am} ^G ^F
 And we drank more tequila than any man alive

^{Bb} And the story goes on ^F N.C.
 It gets a little better, every time we're together
 (C F Am G F)

^{Am} It's funny how we change ^C
 And some things stay the same ^G

^D God, I miss the glory days, always
^{Am} Daylight getting near ^C
 We shed a few more tears ^G
 Lord, I love the memories we've made ^D

^F The years have come and gone ^G
