Tom: C

G A  
Father, tell me somethin'  
Bb C  
Where do bad men go when they die?  
G A Bb  
And mother says you'll go there but  
C G A  
Wings for her and I and I don't mind  
Bb C  
Cause I have always wanted to learn to...

G A  
Fly... learn to  
G A  
Fly... learn to  
G A  
Fly... learn to  
Bb C  
Fly...

G A  
Brother, tell me somethin'  
Bb C  
If I take this, am I going to die?  
G A Bb C  
And he says no, so then I figure what the hell  
G A  
I'll try cause it's my life  
Bb C  
So light the match and you and I will...

G A  
Fly... learn to  
G A  
Fly... learn to  
G A  
Fly... learn to  
Bb C  
Fly...

G A Bb C  
Cause I'm on my hands and knees I've crawled eternity to  
begforgiveness  
G A Bb C  
And someday I'll be there I swear to you, God, as my witness  
G A Bb C  
For all the trusts I've broke and, let justice know, it's  
justthat easy  
G A Bb C  
Cause I'm a liar, I conspired, I'm a liar...  
G A Bb C

G A  
And father tell your son,  
Bb C  
It's not your gun and bloody hands  
G A  
Don't hide behind locked doors  
Bb C  
In dresser drawers those bullets wait to fly...

G A  
Fly... learn to  
G A  
Fly... learn to  
G A  
Fly... learn to  
Bb C  
Fly...

G A Bb C  
Cause I'm on my hands and knees I've crawled eternity to  
begforgiveness  
G A Bb C  
And someday I'll be there I swear to you, God, as my witness  
G A Bb C  
For all the trusts I've broke and, let justice know, it's  
justthat easy  
G A Bb C  
Cause I'm a liar, I conspired, I'm a liar...
