Tom: C

G A  
 Father, tell me somethin'  
 Bb C  
 Where do bad men go when they die?  
 G A Bb  
 And mother says you'll go there but  
 C G A  
 Wings for her and I and I don't mind  
 Bb C  
 Cause I have always wanted to learn to...

G A  
 Fly... learn to  
 G A  
 Fly... learn to  
 G A  
 Fly... learn to  
 Bb C  
 Fly...

G A  
 Brother, tell me somethin'  
 Bb C  
 If I take this, am I going to die?  
 G A Bb C  
 And he says no, so then I figure what the hell  
 G A  
 I'll try cause it's my life  
 Bb C  
 So light the match and you and I will...

G A  
 Fly... learn to  
 G A  
 Fly... learn to  
 G A  
 Fly... learn to  
 Bb C  
 Fly...

G A Bb C  
 Cause I'm on my hands and knees I've crawled eternity to  
 begforgiveness  
 G A Bb C  
 And someday I'll be there I swear to you, God, as my witness  
 G A Bb C  
 For all the trusts I've broke and, let justice know, it's  
 justthat easy  
 G A Bb C  
 Cause I'm a liar, I conspired, I'm a liar...  
 G A Bb C

G A  
 And father tell your son,  
 Bb C  
 It's not your gun and bloody hands  
 G A  
 Don't hide behind locked doors  
 Bb C  
 In dresser drawers those bullets wait to fly...

G A  
 Fly... learn to  
 G A  
 Fly... learn to  
 G A  
 Fly... learn to  
 Bb C  
 Fly...

G A Bb C  
 Cause I'm on my hands and knees I've crawled eternity to  
 begforgiveness  
 G A Bb C  
 And someday I'll be there I swear to you, God, as my witness  
 G A Bb C  
 For all the trusts I've broke and, let justice know, it's  
 justthat easy  
 G A Bb C  
 Cause I'm a liar, I conspired, I'm a liar...
