

Nickelback - Holding on to Heaven

Tom: E

And if forever never comes then I
 And if forever never comes then I
 And if forever never comes then I
 I'll hold on and hold on

I keep listening to my chest
 For a beat but there's nothing left
 It's been a week since I've seen you
 And I still can't believe it
 Cause I'm dying inside alone
 And everyday we gotta be apart
 I'm like a baby with a broken heart
 But the second that I'll see you
 You will know how much I need you
 Because I'll never be letting you go
 (now you know why...)

I'm lost without you
 And there's nothing I can do
 You don't wanna keep going without
 If I ain't holding onto you
 Then I'll be holding out forever
 I've got you now and
 I'm not letting go of you
 Never be together long enough
 Cause every moment I'm with you
 Is like I'm holding on to heaven

And if forever never comes then I
 And if forever never comes then I
 And if forever never comes then I
 I'll hold on and hold on
 And if I can write a symphony
 Baby you would be my melody
 And you would flow like a river
 Slowly going on forever
 Like a feather that's blowing away
 Like every woman needs a fairytale
 Like every mother's love that never fails
 Like every game that needs a player
 And a sinner needs a savior
 I'm appealing you willing to say
 (now you know why...)
 REFRÃO (G A E7 B)
 And I'm willing to wait
 Just to see another day
 What I'm waiting for
 Will wash this pain away
 And it's never too late
 And if forever never comes then I
 And if forever never comes then I
 And if forever never comes then I
 I'll hold on and hold on
 REFRÃO 2x (G A E7 B)
