

Nickelback - I'd Come For You

Tom: D

(intro)

(primeira estrofe)

Just one more ^{Bm}moment,
Thats all that's ^Gneeded,
Like wounded ^Dsoldiers,
In need of ^Ahealing
Time to be ^{Bm}honest
This time I'm ^Gbleeding
Please don't ^Dbail on it
'Cause I didn't ^Amean it

^{Em} I cant believe I said I'd lay our love on the ^{Em}ground,
But it doesn't ^Gmatter 'cause I made it up ^Dforgive me now
Everyday I spent away my souls inside out
Gotta be some way that I can make it up to you now, somehow

By now you know ^Dthat,
I'd come for ^{Bm}you,
No one but you, ^A
Yes, I'd come for ^Gyou,
But only if you told me ^Dtoo,
I'd fight for ^{Bm}you,
I'd lie its ^Atrue,
Give my life for ^Fyou,
You know I'd always come for ^Dyou

(solo base) D Bm A F G

I was ^{Bm}blindfolded
But now I'm ^Gseeing
My mind was ^Dclosing
Now I'm ^Abelieving
I finally know just what it means to let someone in

To see the ^Gside of me that no one does or ever ^{Em}will
So if your ever ^Glost and find yourself all ^{Em}alone
I'd search forever just to bring you home
Here and now, this I vow

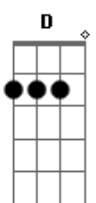

By now you know ^Dthat,
I'd come for ^{Bm}you,
No one but you, ^A
Yes, I'd come for ^Gyou,
But only if you told me ^Dtoo,
I'd fight for ^{Bm}you,
I'd lie its ^Atrue,
Give my life for ^Fyou,
You know I'd always come for ^{Bb}you
You know I'd always come for ^Dyou
No matter what gets in my ^{Bm}way,
As long as there's still life in me, ^A
No matter what remember you know I'd always come for ^Gyou

^D Yes I'd come for ^{Bm}you,
No one but you, ^A
Yes I'd come for ^Gyou,
But only if you told me ^{Bm}too,
And I'd fight for ^Ayou,
I'd lie its ^Ftrue,
Give my life for ^Gyou,
You know I'd always come for ^Dyou,

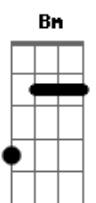

No matter what gets in my ^{Bm}way,
As long as there's still life in me, ^A
No matter what remember you know I'd always come for ^Gyou
I'd crawl across this world for ^{Bm}you,
Do anything you want me to, ^A
No matter what remember you know I'd always come for ^{Bb}you,
You know id always come for ^Dyou
