

# Nickelback - If Today Was Your Last Day

Tom: D

My best friend gave me the best advice  
 he said each day's a gift & not a given right  
 leave no stone unturned  
 leave your fears behind  
 & try to take the path less travelled by  
 that first step you take is the longest ride

REFRÃO

if today was your last day  
 & tomorrow was too late  
 could you say goodbye to yesterday?  
 would you leave each moment like your last?  
 leave old pictures in the past?  
 donate every dime you have?  
 if today was your last day

Ponte Bm - D - A

Against the grain should be a way of life  
 what's worth the price is always worth the fight  
 every second counts 'cause  
 there's no second try  
 so live like you'll never live it twice  
 don't take the free ride in your own life  
 if today was your last day  
 & tomorrow was too late  
 could you say goodbye to yesterday?  
 would you leave each moment like your last?  
 leave old pictures in the past?  
 donate every dime you have?  
 would you call those friends you've never seen?

reminisce old memories?  
 would you forgive your enemies?  
 would you find that one your dreaming of?  
 swear up & down to God above  
 that you'll finally fall in love?  
 if today was your last day  
 if today was your last day  
 would you make it up by mending a broken heart  
 you know it's never too late  
 to shoot for the stars  
 regardless of who you are  
 so do whatever it takes  
 'cause you can't rewind  
 a moment in this life  
 let nothing stand in your way  
 cause the hands of time are never on your side  
 if today was your last day  
 & tomorrow was too late  
 could you say goodbye to yesterday?  
 would you leave each moment like your last?  
 leave old pictures in the past?  
 donate every dime you have?  
 would you call those friends you've never seen?  
 reminisce old memories?  
 would you forgive your enemies?  
 would you find that one your dreaming of?  
 swear up & down to God above  
 that you'll finally fall in love?  
 if today was your last day
