

# Nickelback - Lullaby

Tom: B  
Intro: Dbm E B Gb

Verso 1:

Well I know the feeling  
Of finding yourself stuck out on the ledge  
And there ain't no healing  
From cutting yourself with the jagged edge

Verso 2:

I'm telling you that its never that bad  
Take it from someone whose been where you're at  
Laid out on the floor and your not sure  
You can take this anymore

So just give it one more try to a lullaby  
And turn this up on the radio  
If you can hear me now I'm reaching out  
To let you know that you're not alone  
And you can't tell I'm scared as hell  
Cause I can't get you on the telephone  
So just close your eyes (close your eyes)  
Well honey here comes a lullaby  
Your very own lullaby

Verso 3:

Please let me take you  
Out of the darkness and into the light  
Cause I have faith in you  
That you're gonna make it through another night  
Stop thinking about the easy way out  
There's no need to go and blow the candle out

Because you're not done you're far too young  
And the best is yet to come

So just give it one more try to a lullaby  
And turn this up on the radio  
If you can hear me now I'm reaching out  
To let you know that you're not alone  
And you can't tell I'm scared as hell  
Cause I can't get you on the telephone  
So just close your eyes (close your eyes)  
Well honey here comes a lullaby  
Your very own lullaby

Ponte:

Well everybody's hit the bottom  
And everybody's been forgotten  
When everybody's tired of being alone  
Yeah everybody's been abandoned  
And left a little empty handed  
So if you're out there barely hanging on

So just give it one more try to a lullaby  
And turn this up on the radio  
If you can hear me now I'm reaching out  
To let you know that you're not alone  
And you can't tell I'm scared as hell  
Cause I can't get you on the telephone  
So just close your eyes (close your eyes)  
Well honey here comes a lullaby  
Your very own lullaby

Outro:

Well honey here comes a lullaby  
Your very own lullaby
