

# Nickelback - Never Gonna Be Alone

Tom: E

E B Dbm A

Time, is going by, so much faster than I, ( Gbm Dbm E B )

And I'm starting to regret not spending all of it here with you. Ooooh!

Now I'm, wondering why, I've kept this bottled inside, You've gotta live every single day,

So I'm starting to regret not telling all of it to you. Don't let it slip away,

So if I haven't yet, I've gotta let you know... Could be our only one, you know it's only just begun.

A A Every single day,

A A Maybe our only one, what if tomorrow never comes?

A A tomorow never comes...

E B Dbm

You Never gonna be alone! From this moment on,

A A And I'm starting to regret not telling all of this to you.

A E B

If you ever feel like letting go, I won't let you fall...

A Dbm B

You Never gonna be alone! I'll hold you 'til the hurt is gone.

E B

And now, as long as I can, I'm holding on with both hands,

'Coz forever I believe that there's nothing I could need but you,

So if I haven't yet, I've gotta let you know...

E B A

You Never gonna be alone! From this moment on,

A E B

If you ever feel like letting go, I won't let you fall...

E B A

When all hope is gone, I know that you can carry on.

A A

We're gonna see the world out, I'll hold you 'til the hurt is gone.

E B A

I'm gonna be there always,

A E B A

I won't be missing a one more day,

E B A

I'm gonna be there always,

Dbm B A

I won't be missing a one more day.
