

Nickelback - Never Gonna Be Alone

Tom: E

E B Dbm A

Time, is going by, so much faster than I, is gonna see the world out, I'll hold you 'til the hurt is gone.

And I'm starting to regret not spending all of it here with you. (Gbm Dbm E B) Oooh!

Now I'm, wondering why, I've kept this bottled inside, You've gotta live every single day, Like it's the only one, what if tomorrow never comes? Don't let it slip away, Could be our only one, you know it's only just begun. Every single day, Maybe our only one, what if tomorrow never comes?

So I'm starting to regret not telling all of it to you. tomorow never comes...

So if I haven't yet, I've gotta let you know...
