Nickelback - Old Enough

```
Tom: C
Intro: 1 PARTE 2 VEZES              2 PARTE 2 VEZES
REPETE UMA VEZ 1 PARTE

 Shes old enough      (durante esta parte toque duas vezes a 2
parte e a 1 até entrar o G )
 She knows enough
 Shes thrown up
 So throw her
G       Bb
 Out to me
         F                    C
 And I'll treat her like she was mine
G          Bb
 Not my belief
         F                    C
 You got your way and I'll get mine

 G           Bb
 And I can't eat
         F
 I can't sleep
           C
 I want to thank you for coming
 G         Bb        F
 And why do we always laugh
           C
 While we're in this discussion

 Should've known enough      (nesta parte repete-se o começo
tocando a 2 parte duas vezes e a
                             1 parte até entrar o G )
 Never grown enough
 Alone enough
 To know my

G        Bb     F              C
 way will be the path I wanted to try
G             Bb
 If it fails to be
         F                 C
 Good for me than I'd rather die

 G           Bb
 And I can't eat
         F

 I can't sleep
           C
 I want to thank you for coming
 G         Bb        F
 And why do we always laugh
            Eb
 While we're in this discussion

C
 Back woods always lead to something
Eb
 Bury her cause her time was cut thin
Bb
 All the while we stood and stared
       F                    C
 Never cared to help we just got carried away

SOLO:

G            Bb           F                    C
 Lately it seems like my dreams have started to die
G              Bb       F                    C
 It occured to me on the inside I guess so have I

 G           Bb
 And I can't eat
         F
 I can't sleep
           C
 I want to thank you for coming
 G         Bb        F
 And why do we always laugh
             C
  ...well the last ones comin'

G                   Bb
 Stand right here on my own two feet
   F                   C
 Enjoy it now cause it won't repeat
G              Bb                   F
 Someway...somehow...the things that keep me alive
        C               Eb F G
 aren't living here anymore
```
