Look at this Photograph, every time I do it makes me laugh,

**Eb** **Ab**  
How did our eyes get so red, and what the hell is on Joey's head?

**Db** **Bb**  
And this is where I grew up, I think the present owner fixed it up,

**Eb** **Ab**  
I never knew we ever went without, the second floor is high for sneaking out

**Db** **Bb**  
And this is where I went to school, most of the time had better things to do,

**Eb** **Ab**  
Criminal record says I broke in twice, I must have done half a dozen times,

**Eb** **Bb** **Db**  
I wonder if it's too late, should I go back and try to graduate,

**Gb** **Ab**  
Life's better now than it was back then, if I was them I wouldn't let me in,

**Eb** **Ab**  
Oh oh oh oh... oh God I..

(Refrão)

**Eb**  
Every memory of looking out the back door,

**Bb**  
I had the photo album spread out on my bedroom floor,

**Db**  
It's hard to say it, time to say it,  
**Ab**  
Good-bye, good-bye.....

**Eb**  
Every memory of walking out the front door,

**Bb**  
I found the photo of the friend that I was looking for,

**Db**  
It's hard to say it, time to say it,  
**Ab**  
Good-bye, good-bye.....

(Verso 2)

**Eb** **Bb** **Db**  
Remember the old arcade, blew every dollar that we ever made,

**Eb** **Ab**  
The cops seeing us hanging out, they say somebody went and mowed it down,

**Db** **Bb**  
We used to listen to the radio, and sing along with every song we'd know,

**Eb** **Ab**  
We said someday we'd find out how it feels, to sing to more than just the steering wheel.

**Eb** **Bb**  
We said someday we'd find out how it feels, to sing to more than just the steering wheel.

**Db** **Bb**  
We said someday we'd find out how it feels, to sing to more than just the steering wheel.

Kim's the first girl I kissed, I was so nervous that I nearly missed,

**Gb** **Ab**  
She's had a couple of kids since then, I haven't seen her since God knows when,

**Ab**  
Oh oh oh oh...oh God I..

(Refrão)

**Eb**  
Every memory of looking out the back door,

**Bb**  
I had the photo album spread out on my bedroom floor,

**Db**  
It's hard to say it, time to say it,  
**Ab**  
Good-bye, good-bye.....

**Eb**  
Every memory of walking out the front door,

**Bb**  
I found the photo of the friend that I was looking for,

**Db**  
It's hard to say it, time to say it,  
**Ab**  
Good-bye, good-bye.....

**Eb** **Bb**  
I miss that town

**Db**  
I miss the faces

**Ab**  
You can't erase it  
**Eb**  
You can't replace it

**Bb**  
I miss it now

**Db**  
I can't believe it

**Ab**  
So hard to stay  
**Eb**  
So hard to leave it

(Verso 3)

**Eb** **Bb**  
**Db**  
If I could re-live those days, I know the one thing that would never change....

(Refrão)

**Eb**  
Every memory of looking out the back door,

**Bb**  
I had the photo album spread out on my bedroom floor,

**Db**  
It's hard to say it, time to say it,  
**Ab**  
Good-bye, good-bye.....

**Eb**  
Every memory of walking out the front door,

**Bb**  
I found the photo of the friend that I was looking for,
