

# Nickelback - Someday

Tom: D

Verso 1:

Bm D A  
How the hell did we wind up like this  
Bm  
Why weren't we able  
D A  
To see the signs that we missed  
Bm  
And try to turn the tables  
D A  
I wish you would unclench your fists  
Bm  
And unpack your suitcase  
D A  
Lately there's been too much of this  
Bm  
Dont think its too late  
( Em )

Pré-Refrão:

Em  
Nothin's wrong, just as long as  
A  
you know that someday I will

Refrão:

G D  
Someday, somehow  
A Bm  
gonna make it allright but not right now  
G A Bm  
I know you're wondering when  
A  
(You're the only one who knows that)  
G D  
Someday, somehow  
A Bm  
gonna make it allright but not right now  
G A Bm  
I know you're wondering when

Verso 2:

Bm D A  
Well I hoped that since we're here anyway  
Bm  
We could end up saying  
D A  
Things we've always needed to say  
Bm  
So we could end up stringing  
Bm D A  
Now the story's played out like this  
Bm  
Just like a paperback novel  
D A  
Lets rewrite an ending that fits  
Bm  
Instead of a hollywood horror
