

# Nickelback - Song On Fire

Tom: A  
Intro: Gbm A Bm D

Gbm  
The first words that come out  
A  
And I can see this song will be about you  
Bm  
I can't believe that I can breathe without you  
D  
But all I need to do is carry on  
Gbm  
The next line I write down  
A  
And there's a tear that falls between the pages  
Bm  
I know that pain's supposed to heal in stages  
D  
But it depends which one I'm standing on  
Gbm A  
I write lines down, then rip them up  
Bm D  
Describing love can't be this tough  
A E  
I could set this song on fire, send it up in smoke  
Gbm D  
I could throw it in the river and watch it sink in slowly  
A E  
Tie the pages to a plane and send it to the moon  
Gbm D  
Play it for the world, but it won't mean much  
Unless I sing this song to you  
( Gbm A Bm D )  
Gbm  
I'm dying to show you  
A  
This could end happily ever after  
Bm  
There doesn't ever have to be disaster  
D  
And all you have to do is sing along  
Gbm A  
I write lines down, then rip them up  
Bm D  
Impossible describing love

A E  
I could set this song on fire, send it up in smoke  
Gbm D  
I could throw it in the river and watch it sink in slowly  
A E  
Tie the pages to a plane and send it to the moon  
Gbm D  
Play it for the world, but it won't mean much  
Unless I sing this song to you  
A E  
I could set this song on fire  
Sing this song to you  
Gbm D  
I could set this song on fire  
A E  
Light this old guitar on fire, I'd still hear the notes  
Gbm D  
Drown the melody in water, I'd still hear it's ghost  
A E  
Sing it with somebody else, but we'd be out of tune  
Gbm D  
Play it for the world, but it won't mean much  
A E  
I could set this song on fire, send it up in smoke  
Gbm D  
I could throw it in the river and watch it sink in slowly  
A E  
Tie the pages to a plane and send it to the moon  
Gbm D  
Play it for the world, but it won't mean much  
Unless I sing this song to you  
A E  
I could set this song on fire  
Unless I sing this song to you  
Gbm D  
I could set this, I could set this  
I want to sing this song to you  
A E  
I could set this song on fire  
Sing this song to you  
Gbm D  
I could set this, I could set this
