

# Nickelback - The Hammer's Coming Down

Tom: D

Intro:

**Bm** **D** **G** **Em**  
Where will you be when the sky comes down?  
**Bm** **D** **G** **Em**  
And what would you do if the strength was found?  
**Bm** **D**  
Stand right beside me when the ground starts shaking  
**G** **Em**  
The only sound you'll hear is the breath we're taking  
**Bm** **D**  
If there is one thing I can promise you  
**G** **Em** **Bm**  
We'll see the light again

**Bm** **D**  
This is the calm before the coming storm  
**G**  
This is the red sky morning  
**Em**  
Without warning now  
**Bm** **D**  
This is the fight that we've been waiting for  
**G**  
And there's no sense in running  
**Em** **Bm** **D** **G**
