Already said goodbye, nothin left to say  
A tiny church a tiny town and not a tear was spent  
Not how I wanted it, I'm hating all of this

Well I'm hating, all of this  
I'm hating, all of this  
All of this, all of this  
Now I know why, I hide my love from you someday  
No I don't mind keeping this bottled inside me  
You came along, and tore this world out around me  
Looks like you found me  
Now I know why  
I felt like shit when I woke up this morning

I've been a loser all my life, I'm not about to change  
If you don't like, there's the door, nobody made you stay  
There ain't a woman on the planet who can deal with it  
Just how I wanted it, I'm hating all of this

Well I'm hating, all of this  
I'm hating, all of this  
All of this, all of this  
Now I know why, I hide my love from you someday  
No I don't mind keeping this bottled inside me  
You came along, and tore this world out around me  
Looks like you found me  
Now I know why  
I felt like shit when I woke up this morning

All of this, All of this  
Now I know why, I hide my love from you someday  
No I don't mind keeping this bottled inside me  
You came along, and tore this world out around me  
Looks like you found me  
Now I know why  
I felt like shit when I woke up this morning

Woke up this mourning

I paid my last respects this mornin' on an early grave
