

Nicki Minaj - Bed Of Lies

Tom: G

Do you ever think of me, when you lie?
 Lie down in your bed, your bed of lies
 And I knew better, than to look in your eyes
 They only pretend, you will be mine
 And you know how you made me, believe
 You had me caught in every web, that you weaved
 But do you ever think of me, when you lie?
 Lie down in your bed your bed of lies

For Nicki Minaj part, play these four chords: (B, F#, G#, F#, B)

[Nicki]

You could never make eye contact
 Everything you got was based off of my contacts
 You a fraud, but I'mma remain icon-stat
 Balenciaga's on my boots with the python strap

(Countinue...)
 You was caught up in the rush, and you was caught up in the thrill of it
 You was with me way before, I hit a quarter mil' in it
 Put you in the crib and you ain't never pay a bill in it
 I was killin' it, man you got me poppin' pills in it
 I told Baby hit you, I said this nigga buggin'
 Cause I was doing it for us, I told em fuck the public
 Couldn't believe that I was home alone, contemplating
 Overdosin', no more coastin', no more toastin' over oceans
 They say you don't know what you got 'til it's gone
 They say that your darkest hour come before your dawn
 But there was something that I should've asked all along
 I'mma ask on the song

[Skylar]

Do you ever think of me, when you lie?
 Lie down in your bed, your bed of lies
 And I knew better, than to look in your eyes
 They only pretend, you will be mine
 And you know how you made me, believe
 You had me caught in every web, that you weaved

But do you ever think of me, when you lie?
 Lie down in your bed your bed of lies

[Nicki]

Play these four chords (Em, C, G, D)

I just figured if you saw me, if you looked in my eyes
 You'd remember our connection and be freed from the lies
 I just figured I was something that you couldn't replace
 But there was just a blank stare and I couldn't relate
 (Continue...)
 I just couldn't understand and I couldn't defend
 What we had, what we shared, and I couldn't pretend
 When the tears roll down it's like you ain't even notice em
 If you had a heart, I was hoping you would've showed it some
 What the fuck you really telling me, what you telling me
 I could tell you lying, get the fuck out, don't yell at me
 I ain't mean to cut you, I ain't wanna catch a felony
 This ain't How To Be A Player, you ain't Bill Bellamy
 They say you don't know what you got 'til it's gone
 They say that your darkest hour come before your dawn
 But there was something that I should've asked all along
 I'mma ask on the song

[Skylar - Bridge]

So does she know I've been in that bed before
 A thousand count, and not a single threaded truth
 If I was just another girl
 Then I'm ashamed to say that I'm not over you
 There's one thing I need to know
 So call me, when you're not so busy just thinking of yourself

[Skylar - Outro]

Do you ever think of me, when you lie?
 Lie down in your bed, your bed of lies
 And I knew better, than to look in your eyes
 They only pretend, you will be mine
 And you know how you made me, believe
 You had me caught in every web, that you weaved
 But do you ever think of me, when you lie?
 Lie down in your bed your bed of lies
