

Nic 'n Joe - Kahuna 2015 (feat. John Bright)

Tom: A

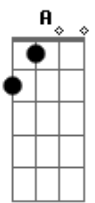

(com acordes na forma de G)

Capostrate na 2ª casa

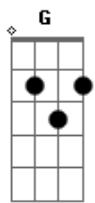

We went away,
 we left our homes
 We said 'we fly now and let's see how it goes'
 We made a friend,
 cool as ice
 We met him at a Surfers Paradise
 Woohooo
 They say he's lived a hundred years
 Woohooo
 He's the king of the waves
 Woohooo
 He said 'Let's get this party starteeeed...
 and Kahuna's the name!'
 We're gonna have a good time, time, time
 With the Kahuna, Kahuna
 We're gonna have a good time, time, time
 With the Kahuna, Kahuna!
 We live the same life as you
 But we're a little less tame and we are louder too
 We're gonna have a good time, time, time
 With the Kahuna, Kahuna
 We packed our things and headed out
 He showed us to a place that no one knew about

We spent the night,
 and forgot our clothes
 It got a little strange but that's how it goes
 Woohooo
 They say he's lived a hundred years
 Woohooo
 He's the king of the waves
 Woohooo
 He said 'Let's get this party starteeeed...
 and Kahuna's the name!'
 We're gonna have a good time, time, time
 With the Kahuna, Kahuna
 We're gonna have a good time, time, time
 With the Kahuna, Kahuna!
 We live the same life as you
 But we're a little less tame and we are louder too
 We're gonna have a good time, time, time
 With the Kahuna, Kahuna
 I'm gonna have a good time, time, time
 With the Kahuna, Kahuna
 We're gonna have a good time, time, time
 With the Kahuna, Kahuna
 We live the same life as you
 But we're a little less tame and we are louder too
 We're gonna have a good time, time, time
 With the Kahuna, Kahuna...
