Tom: D

m

[Primeira Parte]

**Dm**  
Eight years old and he's kicking and screaming  
**Bb**  
I'll only go to school if you give me a reason  
**F**  
The kids are really mean and I already know all the things **Am**  
they're teaching  
**Dm**  
Hopped in the car mama let him play hookey  
**Bb**  
Missed the first hour just to get a cup of cof  
**F**  
She's the only one who saw who he was, no one else could **Am**  
read him  
**Dm**  
Showing up late but he makes it to class  
**Bb**  
Just to stare out the window and the clock in the back  
**F**  
He daydreamed away to a sky so gray  
**Am**  
Everything's simple, it's driving him mental  
**Dm**  
Wishing every day that something would change  
**Bb**  
Instead his dad makes him play ball by the bay  
**F**  
And every time he cries, father rolls his eyes saying  
**Am**  
Son it's all your fault, how come you never try?

[Pré-Refrão]

**Gm**  
He does all that he should

**Am** **A**  
Why is he misunderstood?

[Refrão]

**Dm**  
This is a story 'bout a broken boy  
**Bb**  
With his headphones in just to block out the noise  
**F** **A**  
Of everyone around him telling him the way to go  
**Dm**  
So he walks the world alone, Wondering if it gets better  
**Bb**  
Or if he's always gonna feel empty forever  
**F** **A**  
So he gets lost tryna find another way back home  
**Dm**  
As he walks the world alone

[Segundo verso]

**Dm**  
Fifteen years and he's drowning his sorrows

**Bb**  
Smoking weed, drinking cheap liquor out the bottle  
**F** **A**  
With a bunch of fake friends cuz he tried to fit in but it  
wasn't working  
**Dm**  
Ran in with the law bout a dozen of times  
**Bb**  
Nothing too bad, just a few suburban crimes still  
**F** **Am**  
He says to himself, What are you doing you don't deserve  
this  
**Dm**

Don't you know nobody will ever understand

**Bb**  
The person that you are, learn to hold your own hand  
**F**  
Get your shit together and lose the weight

**A**  
You'll never be what you want, no not with that face

**Dm**  
He started writing all of his thoughts on paper  
**Bb**  
Realized music made life so much greater  
**F**  
100 pounds down, he looks so different now

**Am** **Dm**  
As he plans his escape from a crooked hometown

[Pré-Refrão]

**Gm**  
He does all that he should  
**Am**  
Why is he misunderstood?

Alone

Alone

**Dm7**  
21 years and he's on the right path

**Bb**  
But sometimes he wonders if he grew up too fast

**F** **C**  
And missed out on the little things, all of the little things  
(Haha, yeah right)

**Dm7** **Dm**  
Who is he kidding, surely not himself  
**Bb**  
But sometimes he wonders if there's somebody else  
**F** **C**  
Thats takes the same road, but he'll never kno  
Cuz he walks the world alone
