

Nicolá Gobbi - First Love

tom:

Intro: Gbm D A E

When I saw you for the first time
I knew you were the love of my life
But I was too young to tell you
That I liked you, that I loved you

But when I got it I said
I like you, I love you
And when she got it she said
I love you and I want you

For me
For me
For me

And then we began
Our story
Our date
Our affair

But I know
In the middle
It didn't work
We broke up

I didn't want
Anything serious
Like that
In that time

But look now
I'm ready
For us
For our love

I knew it would be hard
But I didn't care

Now I'm begging you please forgive me
And take me back

I know it's hard for you
But I'm giving you my heart
Please think about our love
Please think about our art

Gbm D

I knew it would be hard

But I didn't care

Now I'm begging you please forgive me
And take me back
