Hey, why can't you see  
Gbm

To touch your face

I see no smiles  
C  
My mother's eyes  
G  
They're full of tears  
A  
She cried for one year  
G  
In that night I've closed  
D C  
My eyes for the last time  
G  
Neon light was warmer  
Gbm Em  
Than my weary heart  
G  
Just one last breath  
G A  
I felt a needle in my arm  
Em7  
I wasn't scared  
D A  
When I died I was so young

Dbm Bm  
And I fly, fly...  
Dbm Eb Bb  
And I fly, fly...  
Dbm E7 Eb  
And I fly, fly...  
Eb E7 Eb  
And I fly, fly...  
Through the light  
The final horizon  
Is something deep inside  
I live it for the first time  
This love is just for you  
Just for you
