

Nicole Dollanganger - Dog Teeth

Tom: G

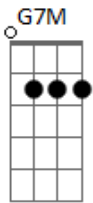

^C he handed me a pair of pliers
^{Em} and told me to pull out his teeth
^D because as long as he had them
^C he would use them to do bad things
^{Em} you're cold on the inside
^C there's a dog in your heart
^{Em} and it tells you to tear everything apart
^C my body's covered in teeth marks
^{Em} your bite's worse than your bark
^D you ruin everything you touch and destroy anyone you love
^C you're all over me

^{Em} ^D
^C ^{Em}

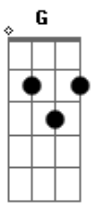

^D he'd sunk his teeth into the flesh of many others
^C infecting them with whatever was already inside him
^C he'd broken all their hymens, cut them open and played inside
^{Em} them
^{G7M} he'd hollowed out their bodies so they'd feel just empty as
^C him
^C you're cold on the inside
^D there's a dog in your heart
^C and it tells you to tear everything apart
^C you draw blood just to taste it, you hold bones just to break
^{Em} them
^C you ruin everything you touch and destroy anyone you love
^{Em} you're all over me
^C

^{Em} ^D ^C
