

# Nicole Dollanganger - Dog Teeth

Tom: G

<sup>C</sup> he handed me a pair of pliers  
<sup>Em</sup> and told me to pull out his teeth  
<sup>D</sup> because as long as he had them  
<sup>C</sup> he would use them to do bad things  
<sup>Em</sup> you're cold on the inside  
<sup>C</sup> there's a dog in your heart  
<sup>Em</sup> and it tells you to tear everything apart  
<sup>C</sup> my body's covered in teeth marks  
<sup>Em</sup> your bite's worse than your bark  
<sup>D</sup> you ruin everything you touch and destroy anyone you love  
<sup>C</sup> you're all over me

<sup>Em</sup> <sup>D</sup>  
<sup>C</sup> <sup>Em</sup>

<sup>D</sup> he'd sunk his teeth into the flesh of many others  
<sup>C</sup> infecting them with whatever was already inside him  
<sup>C</sup> he'd broken all their hymens, cut them open and played inside  
<sup>Em</sup> them  
<sup>G</sup> he'd hollowed out their bodies so they'd feel just empty as  
<sup>C</sup> him  
<sup>C</sup> you're cold on the inside  
<sup>D</sup> there's a dog in your heart  
<sup>C</sup> and it tells you to tear everything apart  
<sup>C</sup> you draw blood just to taste it, you hold bones just to break  
<sup>Em</sup> them  
<sup>C</sup> you ruin everything you touch and destroy anyone you love  
<sup>Em</sup> you're all over me
