

Nicole Dollanganger - Lemonade

Tom: **Eb**

(com acordes na forma de **C**)

Capostrate na 3ª casa

I've been home all day

My husband's gone they all say

He's got a girl on the side

While I stay home all day

So I make lemonade

Put on a dress

And I go lay

Out in the dayroom

And I wait for you to come on over

And give it to me

In the backyard full of dying flowers

In the kitchen on the pale pink counter

Give you a lap dance outside in a lawn chair

Drinking lemonade and playing with my hair

I've been home all day

My husband's gone, don't need to worry

Take you upstairs to the swan bed

Let you fuck me hard as you can

The next time he kisses me

Want him to taste red ruby lips

And the love we made

And the lemonade

So come on over

And give it to me

In the backyard full of dying flowers

In the kitchen on the pale pink counter

Give you a lap dance outside in a lawn chair

Drinking lemonade and playing with my hair
