

# Nicole Dollanganger - Mean

tom:  
 Gb  
 Born a cop in uniform in black vinyl gloves  
 I don't hate you for your steel-toed boots  
 Or your handcuffs

[Refrão]

You are the way you always were  
 You like your cruel games

But I am not so quick to break  
 I count my gain in blood and pain  
 I like it when it hurts like hell  
 There's nothing you can do to me  
 I wouldn't do to myself  
 I'll be bound to you in leather and chains  
 I'll be your sister your young bride  
 Your angel your slave  
 [Final]
