

# Nicotine Dolls - Nothin' I do

tom:  
 Gb (forma dos acordes no tom de F )  
 Capostraste na 1ª casa

[Primeira Parte]

I think about  
 You walking down  
 That aisle with your dress white as flowers  
 I?m countin? the hours  
 ?Til I can

Fall on that knee  
 Beg baby please  
 Save me from spending my days  
 Without seeing your face  
 When I wake

[Refrão]

?Cause nothing I do  
 Will ever be better  
 Than laying my eyes on you  
 Knew we?d be together, yeah

And nothin' I do  
 Will ever be better  
 Than when I learn the truth  
 Wanting someone forever  
 You  
 Could want someone forever

I  
 I want you

[Segunda Parte]

When you first stepped in  
 The room went from dim  
 To brighter than the stars in that sky  
 On a clear winter?s night  
 Guiding me straight through the dark

[Refrão]

## Acordes

?Cause nothing I do  
 Will ever be better  
 Than laying my eyes on you  
 Knew we?d be together, yeah

And nothin' I do  
 Will ever be better  
 Than when I learn the truth  
 Wanting someone forever

You  
 Could want someone forever

I

[Ponte]

When I call out your name  
 Sounds like sweet sugar cane  
 Dripping down my tongue all the time

You pull me out  
 When I know I would drown  
 If I didn?t have you  
 I?d be six underground

[Refrão]

?Cause nothing I do  
 Will ever be better  
 Than laying my eyes on you  
 Knew we?d be together

And nothin' I do  
 Will ever be better  
 Than when I learn the truth  
 Wanting someone forever

You  
 Could want someone forever

I  
 I want yooooooooou-ou-ouuu
