

Nigel Stanford - Everything Changes

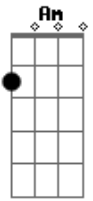

tom:
 C
 Am C F
 We're just humans- wanting, craving
 Am C F
 So there can be no one to blame if our hearts are fading
 Am C F
 And with the timing of it all, am I the one?
 Am C F
 And in your many lifetimes, am I the one?

F G
 Everything changed, twist out of shape
 Am C
 I miss the promises we're breaking
 F G
 Alter the waves, move out of phase
 Am C
 I miss the promises we break
 F G Am
 One day, someplace, our love will hold
 C G Am
 One day, untraced, we'll go
