

# Night Riots - Breaking Free

tom:

Intro: **D Em C G**  
**D Em C G**

[Primeira Parte]

It's been long enough to know it's over  
I've been holding up, I've been holding on  
Can we make some peace? Can we find some closure?  
Cause you're always there, all the time  
On every face I meet, on every road I drive

[Refrão]

You're not my savior, just someone I used to see  
I am broken  
Something's wrong inside of me  
I feel violent

Like I'm dying

I feel broken

Maybe I'm just breaking free

(Breaking free)

(Breaking free)

[Segunda Parte]

It's been long enough to know it's over  
I had given up, and now I'm moving on  
I got a new friend, she's been sleeping over  
Sometimes I lie awake while she sleeps  
I make believe you're next to me

[Refrão]

You're not my savior, just someone I used to see  
I am broken  
Something's wrong inside of me  
I feel violent

Like I'm dying

I feel broken

Maybe I'm just breaking free

(Breaking free)

(Breaking free)

[Bridge]

Oooh  
Oooh

I just wanna drive all night all alone

Focus on the pain, I want to feel it all  
I feel the violent waves crashing down

Hold me till I fall asleep  
Everything reminding me

[Refrão/Outro]

You're not my savior, just someone I used to see  
I am broken

Something's wrong inside of me  
I feel violent

Like I'm dying  
I feel broken

I feel broken

You're not my savior, just someone I used to see  
I am broken

Something's wrong inside of me  
I feel violent

Like I'm dying  
I feel broken

I feel broken

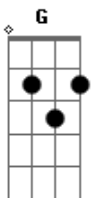

Maybe I'm just breaking free

(Breaking free)

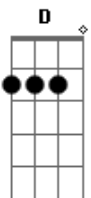

(Breaking free)
