

Nightwish - How's The Heart

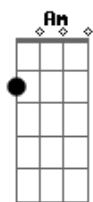

tom:

[Primeira Parte]

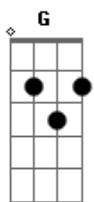

We see a mother with no child
We meet a stranger poor, exiled
How's the heart while? it still beats?
Asks a? no-one
Another John Doe
Sorrow hides well in? your shell
A fellow man with hurt to spare
Dear one
Here I am to share the fear
An act of kindness
Without an amen
[Refrão]
How's the heart
Underneath the silence?
How's the one
Drowning in the mire?
Let us sound a human paean
Come in, the fire's warm

Burn the rope and dance some more
[Segunda Parte]
We met where the cliff greets the sea
Shared a story, took the leap
Rose up rooted, hid a note
You know where
You've been there
Now there's one who came from me
A child of light, another tale
Dear one
Night will come but not to stay
Why?
The answer's in the
[Refrão]
How's the heart
Underneath the silence?
How's the one
Drowning in the mire?
Let us sound a human paean
Come in, the fire's warm
Burn the rope and dance some more
