

Nightwish - Meadows Of Heaven

Tom: Bb

Meadows of heaven

Eb Gm Eb Gm Eb F Gm
Eb F Gm

I close my eyes

The lantern dies

The scent of awakening

Wild honey and dew

Childhood games

Woods and lakes

Streams of silver

Toys of olden days

Meadows of Heaven

.....Meadows of Heaven

The flowers of wonder

And the hidden treasures

In the meadow of life

My acre of heaven

In a place called home

Sailing the waves of past

Meadows of Heaven

Meadows of Heaven

Rocking chair without a dreamer

A wooden swing without laughter

Sandbox without toy soldiers

Yuletide without the flight

Dreambound for life

Flowers wither

Treasures stay hidden

Until I see the first star of fall

I fall asleep and see it all

Mother's care

And colour of the kites

Heaven... aaaaahhh...

Heaven...

Meadows of Heaven

Aaaaaaaaaaah

Meadows of Heaven
(repete)

[Climax]

Yeah... woo...

Hoo... Searching...

Heaven, heaven

Yeah, yeah, yeah

Oooh
