

Nightwish - While Your Lips Are Still Red

Tom: Bb

Gm Dm F Cm Gm Dm Eb F

Gm Eb
Sweet little words made for silence
F Eb F
not talk, Young heart for love not heartache
Gm Bb
dark hair for catching the wind
Eb F Gm
Not to veil the sight of a cold world

Gm Dm F
kiss, while your lips are still red
Cm
while he's still in silent
Gm Dm Eb F
Rest while bosom is still untouched, unveiled
Gm
Hold another hand
Dm F
while the hand's still without a tool
Cm Gm
drown into eyes while they're still blind
Dm Eb F
love while the night still hides the withering dawn

Gm F Eb F Gm

Gm Eb
first day of love never comes back
F Eb F
A passionate hour`s never a wasted one
Gm Bb
the violin, the poet's hand

Eb F Gm
every thawing heart plays your theme with care

Gm Dm F
kiss, while your lips are still red
Cm
while he's still in silent
Gm Dm Eb F
Rest while bosom is still untouched, unveiled
Gm
Hold another hand
Dm F
while the hand's still without a tool
Cm Gm
drown into eyes while they're still blind
Dm Eb F
love while the night still hides the withering dawn
