

# Niko Moon - Good Time

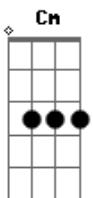

tom:  
**Bb**  
 We just tryna catch a good time **Cm**  
 Even if it takes all night **Bb**  
 Pass that bottle 'round the campfire **Cm**  
 Sippin' apple pie moonshine **Bb**  
 Yeah, we pickin' on them guitars just right **Cm**  
 Everybody singin' Dixieland Delight **Bb**  
 Like a bobber on a wet line **Cm**  
 We just tryna catch a good time **Bb**  
**Eb**  
 Eighty degrees and the Sun ain't even out **Bb**  
 We got a spot a couple miles outta town **Cm**  
 When that Moon comes up **Bb**  
 You know what's goin' down **Eb**  
 We got them foldin' chairs, leanin' way back **Bb**  
 No other plans other than relax **Cm**  
 We ain't worried 'bout tomorrow from where we at **Bb**  
**Cm**  
 We just tryna catch a good time **Bb**  
 Even if it takes all night **Cm**  
 Pass that bottle 'round the campfire **Bb**

 Everybody singin' Dixieland Delight **Cm**  
 Like a bobber on a wet line **Bb**  
 We just tryna catch a good time **Eb**  
 Way down here, we all got that Southern drawl **Bb**  
 Take our time when we talkin': Hey y'all **Cm**  
 Yeah, it don't take much **Bb**  
 For us to have it all (that's right) **Eb**  
 Something 'bout a night this clear **Bb**  
 Makes your problems disappear

**Cm**  
 We just gonna stay right here **Bb**  
 And let the world go by **Cm**  
 We just tryna catch a good time **Bb**  
 Even if it takes all night **Cm**  
 Pass that bottle 'round the campfire **Bb**  
 Sippin' apple pie moonshine **Cm**  
 Yeah, we pickin' on them guitars just right **Bb**  
 Everybody singin' Dixieland Delight **Cm**  
 Like a bobber on a wet line **Bb**
