

Nilton César - Caminhemos

Tom: F

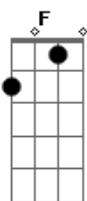

Não, eu não posso lembrar que te amei
 Não, eu preciso esquecer que sofri
 Faça de conta que o tempo passou
 E que tudo entre nós terminou
 E que a vida não continuou pra nós dois
 Caminhemos, talvez nos vejamos depois
 Vida comprida, estrada alongada

Parto à procura de alguém
 Ou a procura de nada...
 Vou indo caminhando
 Sem saber onde chegar
 Quem sabe, na volta
 Te encontre no mesmo lugar
 Não, não, não
