Nina Nesbitt - Just Before Goodbye

```
Tom: B
                                                               I ask what is left now?
                                                               But you ignore, pretend that we're fine
(com acordes na forma de
                                            G)
Capostraste na 4ª casa
                                                                                                   Fm
                                                               But we're not together half of the time
 (Pode substituir o C por Cadd9, e o Em por Em7 )
                                                                             С
                                                               How would I know the signs?
You got new jeans, the hoody's not gone
                                                                               C
                                                               Am
                                                                                                       G
                                                                                                                            D
                                       Fm
i'm in a new dress that i've never worn
                                                               Have we been seeing the world through a piece of shattered
                                                               glass?
                    С
and I could have sworn
                                                                                    С
                                                               Am
                                                               Cause something so beautiful can fall apart so fast
G
You didn't bat an eye when I walked
                                                                                G2
                                                                                     Em
                                                               Just before goodbye, you had the chance to change your mind
in to the room where I first thought
                                                               G
                                                                                G2
                                                                                           Em
                                                               Just before you lied saying, you gave this your best try
you could be the one
                                                                                 G2
                                                                                                   Em
                                                               It's not enough to try, you have to give your blood and tears
                                                             D and time,
                                         G
Have we been seeing the world through a piece of shattered
                                                                                  C
                                                               Em
                                                               take the world of hurt inside,
glass?
