Baby come down, **Bm E**
 I'll be friend, **Bm E**
 show you around, **Dbm Gbm**
 'till the bitter end, **Dm**

Gbm D
 You would wake up in the early morning sun,
A E
 pray to god that you are not the only one,
Gbm D
 who has to fight it when the world knocks on your door,
A E
 who hasn't worked out what it is you're fighting for.

Baby come down, **Bm E**
 I'll be friend, **Bm E**
 show you around, **Dbm Gbm**
 'till the bitter end, **Dm**

Gbm D
 Give me something I can really understand,
A E
 paint a picture where the world lies in my hand,
Gbm D
 make it simple, make it starting from today,

A E
 you know I wouldn't want it any other way.

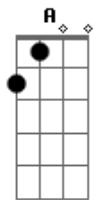

Baby come down, **Bm E**
 I'll be friend, **Bm E**
 show you around, **Dbm Gbm**
 'till the bitter end, **Dm**

E Bm
 I tried to find someone who cares,
E Bm
 it never gets you anywhere.

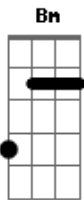

Baby come down, **Bm E**
 I'll be friend, **Bm E**
 show you around, **Dbm Gbm**
 'till the bitter end, **Dm**

Baby come down, **Bm E**
 I'll be friend, **Bm E**
 show you around, **Dbm Gbm**
 'till the bitter end, **Dm**
