Nine Black Alps - Everybody Is

Tom: A

    Tabbed by Sam King
Tune down a tone-to do this, detune e until is sounds the same
as the a string when
playing the 7th fret on e. then retune it as you normally
would.

Intro: /verse

chorus

it really is that simple! the middle section with lots of
extreme noise is played by
scraping a drum stick along your strings.

Acordes
