

Nine Inch Nails - All The Love In The World

Tom: **C**

1. All the Love in the World
 Transcribed by somewhatdamaged (**E**)

Tuning: Drop **D**

Main Riff (Not guitar, this is bass)

Guitar(distortion) at "Why do you get all the love in the world" 2nd time around

Piano Fill 3 when he sings higher at "Why do you get all the love in the world? and the changes; Keep playing for rest of song

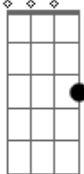

Guitar comes in with muffled distortion (not very sure about this; those are 12?s and 10?s)

End with this and let ring while Piano fill 3 continues to play

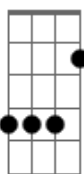

Piano Fill 1 at "Why do you get all the love in the world?"

Piano Fill 2 at "All the jagged edges disappear?"
