

Nine Inch Nails - Dead Souls

Tom: **Bb**

Tabbed by: Eeasy
Email:

Tuning: Standard

first verse its this ambient riff is played
repeat this however many times then play this once

x3

chorus
x3

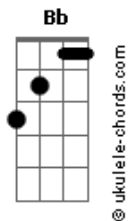

verse 2
repeat this however many times

get louder before chorus

chorus again as before

verse 3

Acordes

play throughout

start loud then get quit after about 4 bars then stay quiet

chorus again as before

the is the bar were the bass plays

E|-3-3-3-|
you can play this if you want but i think that leaving the bass on its own sounds better

chorus twice through

verse 4 is exactly the same as verse 3 untill the beat drops

now iv heard a few versions of this and they all go pretty much something like this

- | / slide up
- | \ slide down
- | h hammer-on
- | p pull-off
- | ~ vibrato
- | harmonic
- | x Mute note
