

Nine Inch Nails - Everyday Is Exactly The Same

Tom: **Bb**

Standard Tuning

Alright... so this isn't very organized, but I'm lazy and I [intro]
dont feel like making it
look all pretty. This is my first tab on this site, please
rate honestly. I think it [verse]
sounds okay... it might not be perfect, but i think it sounds
okay. I still have to
finish it... which wont be long. Give me a week or so, and it [verse continued]
will be done. i promise.
