NineInchNails (TDS #3) HERESY  
By Psylic Coval =====

[INTRO] Synth line arranged for guitar

[VERSE\_1]  
He sewed his eyes shut because he is  
afraid to see He tries to tell me what I put inside  
of me He's got the answers to ease my  
curiosity He dreamed a god up and called it  
christianity

[CHORUS] Chorus riff

(Your) god is dead and no one cares  
if there is a hell I'll see you there

[PRE\_VERSE] Cool little riff x6

[VERSE\_2] w/ cool riff  
he flexed his muscles to keep his  
flock of sheep in line that would kill off  
all the swine he made a virus of killing,  
his perfect kingdom atrocities done in  
suffering and pain demands devotion  
his name

[CHORUS] x2 god is dead.....hell I'll see you there

[BREAK] perc/synth line:

Then add the Outro guitar part:

[CHORUS] god is dead.....hell I'll see you there  
[OUTRO] {sort of confused chorus part}  
/ (your god is dead) (and no one cares) and  
no one cares your god is dead and  
/(drowning in his own hypocrisy)  
if there is a hell I  
will see you there  
? burning with your god in humility  
? { extra }  
? will you die for this?  
? {words ?}

Words of "Mommy" :

This is an interestin tune...tune down to DROP D for  
this one...  
The outro at first sounds like it changes every other  
measure,  
but if you listen really closely, it's all synth noise  
that I couldn't hear well enough to TAB out...

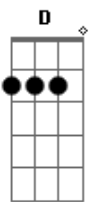

Words of "Psylic" :

This song is full of "parasit" noises. That's why the  
chorus part  
and the outro sound weird to me. Anyway all others  
sound good.  
I'm not sure trent "sings" all the outro the way it is  
printed  
And last "if there is a hell" could be ~ "it's that  
all I have".
