

Nino Aras - Bossa pra João

Tom: D

Quando era meia noite se ouvia soar D A7 D
 No trilhar da descarga uma nova batida B7 Em
 Diziam ser o João tentando ali entoar B7 Em
E Gm A7

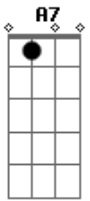

Na ritmia das cordas do seu nobre violão

D A7 D
 As vezes ia pra praça o solitário rapaz Em B7 Em
 Sentava naquele banco sem dar um pio sequer B7 E Gm
 Somente o som do seu pinho soava um novo bimbão E A D
 Quem sabe a bossa nasceu na praça da solidão E A D
 Aqui no velho tijuco surge uma nova canção
