He drank a whole half gallon
He started very poorly, vomited
It was great, despite
And me and my friends dancing break out
And hit some queers punk rock

Buffy's pregnant
Let's plan the future
We will assemble the class

Spread our mind games
With verbal words
We are all equal

Eighty-six rules
You heard what I said Marsha?

"Like, I dunno, I dunno, I do not know."
Chris called me
And he went and I was
And, oh, my God, I'm so ashamed
I could just scream
"I swear I'll never speak to him, as I live"
