

Tom: G

Nirvana - Come As You Are

```
Memory, yeah
Memory, yeah
Riff de introdução:
                                                                   Parte 5: Am / C
                                                                   And I swear that I don't have a gun
                                                                   No, I don't have a gun
Riff alternativo:
                                                                   No, I don't have a gun
                                                                   Parte 7 (Solo): Em / D
Parte 1: Em / D
Come as you are, as you were
As I want you to be
As a friend, as a friend
As a known enemy
                                                                   Parte 6: Em / G
Take your time, hurry up
Choice is yours, don't be late
                                                                   Memory, yeah
                                                                   Memory, yeah
Memory, yeah
Take a rest, as a friend
As an old memory, yeah
                                                                   (No, I don't have a gun)
Parte 2: Em / G
                                                                   Parte 7: Am / C
Memory, yeah
Memory, yeah
Memory, yeah
                                                                   And I swear that I don't have a gun
                                                                   No, I don't have a gun
                                                                   No, I don't have a gun
Parte 3: Em / D
                                                                   No, I don't have a gun
Come doused in mud, soaked in bleach
                                                                   No, I don't have a gun
As I want you to be
As a trend, as a friend
                                                                   Parte 8: Em / D
As an old memory, yeah
                                                                   Memory, yeah
Parte 4: Em / G
                                                                   Memory, yeah
```

Memory, yeah
