

# Nirvana - Heart Shaped Box

B tom:

She eyes me like a Pisces when I am weak  
 I've been locked inside your heart shaped box for weeks  
 I've been drawn into your magnet tar pit trap  
 I wish I could eat your cancer when you turn black

Hey, wait  
 I got a new complaint  
 Forever in debt to your priceless advice

 Your advice

Meat-eating orchids forgive no one just yet  
 Cut myself on angel hair and baby's breath  
 Broken hymen of your highness, I'm left black  
 Throw down your umbilical noose so I can climb right back
