

# Nirvana - Laundry Room

Tom: **D**

Essa musica foi composta por Kurt Cobain, e saiu em uma compilação chamada No Alternative. nesse disco nao consta o nome dessa musica, ela fica escondida no final como faixa surpresa. A musica começa com esses acordes:

?And if you save yourself  
You will make him happy?

Agora entra a distorção:

Refrão:

?..noow..... You're in a laundry room?

Agora volta os mesmos acordes do começo da musica sem distorção:

?And if you guard yourself  
You will think you're happy.....?

Agora vem o refrão com distorção:

?..noow..... You're in a laundry room?

Depois desse refrão vem o solo:

Depois do solo, o refrão!

?..noow..... You're in a laundry room?

Agora os acordes sem distorção do começo da musica...

?And if you fool yourself  
You will make him happy.....?

Novamente essa parte:

Repete 3x...  
até entrar o refrão novamente:

Essa ultima parte ele toca os 2 ultimos acordes (**G / Bb**) uma vez a mais.

Verse Chorus Verse  
(K. Cobain)

And if you save yourself  
You will make him happy  
He'll keep you in a jar  
And you'll think you're happy  
He'll give you breathing holes  
And you'll think you're happy  
He'll cover you with dust  
And you'll think you're happy now

You're in a laundry room  
You're in a laundry room  
The clue that came to you, oh

And if you guard yourself  
You will think you're happy  
He'll keep you in a jar  
Then you'll make him happy  
He'll give you breathing holes  
Then you'll think you're happy  
He'll cover you with dust  
Then you'll think you're happy now

You're in a laundry room  
You're in a laundry room  
The clue that came to you, oh

You're in a laundry room  
You're in a laundry room  
The clue that came to you, oh

And if you fool yourself  
You will make him happy  
He'll keep you in a jar  
Then you'll think you're happy  
He'll give you breathing holes  
Then you will seem happy  
You'll wallow in the shit  
Then you'll think you're happy now

You're in a laundry room  
You're in a laundry room  
You're in a laundry room  
The clue that came to you, oh
