

Nirvana - Marijuana

Tom: E

"Marijuanaaaaa....?"

Afinação: Eb Ab Db Gb Bb

Agora volta pro dedilhado, depois repete o primeiro verso da musica:

Eb

O dedilhado inicial fica assim, o kurt toca abafado até entra a bateria

Depois vem o primeiro verso:

"she has a moist vagina....?"

"she has a moist vagina....?"

agora volta pro dedilhado

"Marijuanaaaaa...?"

E por ultimo, o solo:

Segundo verso:

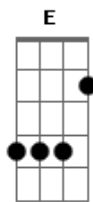

Esse solo o kurt uso bastante improvisação, pode ser q esteja um tom acima ou abaixo dependendo de cada guitarra... caso esteja um to acima é só tocar tudo uma casa antes.

Novamente o Dedilhado:

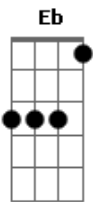

She has a moist vagina
I particularly enjoy the circumference
I'll be sucking the warts off her anus
I prefer her to any other
Marijuana

Agora vem a parte do refrão q o Kurt fica gritando
