Paper Cuts

At feeding time  
 She pushes food through the door  
 And I crawl towards the crack of light  
 Sometimes I can't find my way

Newspapers spread around  
 Soaking all that they can  
 A cleaning is due again  
 A good hosing down

The lady whom I feel a maternal love for  
 Cannot look me in the eyes  
 But I see hers and they are blue  
 And the cock and twitch and masturbate!

I said so  
 I said so  
 I said so  
 Nirvana

Black windows of paint  
 I scratched with my nails  
 I see others just like me  
 Why do they not try to escape?  
 They bring out older ones  
 They point at my way  
 They come with a flash of light  
 And take my family away

And very later I have learned  
 To accept some friends of ridicule  
 My whole existence is for your amusement  
 And that is why I'm here with you!  
 To take with me  
 You right to nirvana
