| l - 0 1 - l |

Then the verse goes something like

The chorus goes...
"I'm a stain..."

Lyrics:

Well he never bleeds and he never fucks And he never sleeps cause he's got bad luck Well he never eats and he never rusts And he never leaves cause he's got bad luck yeah

The solo is actually two guitars, but I've heard live versions $I\!\!\ 'm$ a stain

Acordes
