hung him on a cross for me.

They whooped him up the hill, they whooped him up the hill, they whooped him up the hill for me. One day when I was lost, they hung him on a

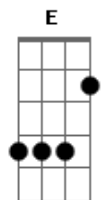

cross, they whooped him up the hill for me.

He never said among them word, he never said among them word, he never said among them word for me. One day when I was lost, they hung him on a cross, they hung him on a cross for me.

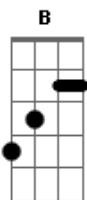

They hurt him in the side, they bit him in the side, they bit him in the side for me. One day when I was lost, they hung him on a cross, they hung him on a cross for me.

He hung his head and died, he hung his head and died, he hung his head and died for me. One day when I was lost, they hung him on a cross, they hung him on a cross for me.
