

# Nirvana - Turnaround

Tom: **G**

Intro: This is really done by the bass, but you can still do it with the guitar and it sounds cool....

(Just hit the string so it sounds like the bass)

Then Kurt comes in with:

(bend the 9 up a half step)

Verse:

This is just a combination of the intro bass/guitar parts

Take a step outside yourself...and turnaround....

Chorus:

So silly...                      Revolting...

You're not much...        You can't do anything...

Ugh!!!!!!!!!!!!!!

Here's the lyrics in case you want them:

Take a step outside yourself  
And I turnaround  
Take a look at who you are

It's pretty scary  
So silly  
Revolting  
You're not much  
You can't do anything

Take a step outside the city  
And I turnaround  
Take a look at what you are  
It is revolting  
You're really nowhere  
So wasteful  
So foolish  
Poppycock

Who said don't look back?  
Don't believe 'em  
Go for that crazy sounding restaurant  
'Cos they're gonna try and get behind you  
Don't you let them do it  
You know what I'm talking about?  
You really talking? You really talking?

It's pretty scary it's so revolting

Take a step outside the country  
And I turnaround  
Take a look at what you are  
It is amazing  
Take a good look  
You're no big deal  
You're so petty  
It's lots

Take a step outside the planet  
Turnaround and around  
Take a look at where you are  
It's pretty scary
