

# Nirvana - Where Did You Sleep Last Night

Tom: Eb

(forma dos acordes no tom de E)

Afinação: Eb Ab Db Gb Bb Eb

My girl, my girl, don't lie to me

Tell me where did you sleep last night

In the pines, in the pines

Where the sun don't ever shine

I would shiver the whole night through

My girl, my girl, where will you go

I'm going where the cold wind blows

In the pines, in the pines

Where the sun don't ever shine

I would shiver the whole night through

Her husband, was a hard working man

Just about a mile from here

His head was found in a driving wheel

But his body never was found

My girl, my girl, don't lie to me

Tell me where did you sleep last night

E

In the pines, in the pines

Where the sun don't ever shine

I would shiver the whole night through

My girl, my girl, where will you go

I'm going where the cold wind blows

Where the sun don't ever shine

I would shiver the whole night through

My girl, my girl, don't lie to me

Tell me where did you sleep last night

In the pines, in the pines

Where the sun don't ever shine

I would shiver the whole night through

My girl, my girl, where will you go

I'm going where the cold wind blows

In the pines, in the pines

Where the sun don't ever shine

I would shiver the whole night through
